

Policy – Fee Refund Policy

Nepean Synchro has an ongoing commitment to its members, both recreational and competitive. As a Not for Profit Corporation, our annual fees, both for Recreational and Competitive swimmers are based on all anticipated costs, to be borne fairly and proportionately between members. As such, a commitment to swim also results in the associated financial commitments. Specifically, the refund policy is as follows:

Recreational Swimmers

Fees will be refunded on a pro-rated basis, less a \$25.00 administrative fee. In addition, any financial commitments, including but not limited to routine suit, meet fees, and star testing will be subtracted from the refund amount. After December 31st, no fees will be refunded.

Competitive Swimmers

The initial Commitment Fee payment of \$250.00*, due June 30th (can be post-dated to July 31st) is comprised of a non-refundable \$100 Registration Fee and \$150.00 Training Camp Fee. The Training Camp Fee is refundable up until August 31st, prior to Training Camp, less a \$25 administration fee. Once Training Camp has commenced, the Training Camp Fee is non-refundable. A swimmer can withdraw from Nepean Synchro anytime during Training Camp, up until Team Assignment, without any further penalty. All remaining competitive swim fees are non-refundable and due in full or installments at the October Competitive Program Meeting. If a competitive swimmer chooses to leave Nepean Synchro mid-season, on a volunteer basis any fees paid or post-dated are non-refundable. In addition, any financial commitments the club has made on behalf of the swimmer (including but not limited to travel, meet fees, routine suit) will be due immediately.
