

Policy – Inclement Weather Cancellation Policy

Nepean Synchro has an ongoing commitment to its members, both recreational and competitive. In our climate, we can have numerous days of inclement weather during the swim season. If the swim facility remains open, we endeavor to continue to provide pool time and coaching as usual. Ultimately, it is up to the parents of our swimmers to decide if they feel it is safe to transport their child/children during periods of inclement weather and as a club, we recognize the personal decisions parents make.

In addition, if we are not able to provide a safe swimming environment for the swimmers by supplying sufficient coaches and/or lifeguards, the session will be cancelled.

Provisions and Conditions.

In each of these situations, we will make every reasonable attempt to notify each family of the cancellation through the Team Representative Network or Recreational Program Coordinator. We will attempt to email and phone each member:

1. If we are notified or learn that the swim facility is closed
2. If we cancel the session due to insufficient staff
3. If the Club cancels the practice due to inclement weather.

Inclement weather is beyond our control and as such, no refunds will be given for cancelled sessions.
